My son said to soo, but read it anyway and loved it.

This book delivered exactly what I expected. This is a very quick read and can serve as a reminder that no one is safe on either side of the wall.

Cool book. There was even people I didn't know were dead.

Beric Dondarrion shows up on 6 pages throughout the book. The exact same page about Beric 6 times. Maybe it's supposed to be a joke, but it feels like a printing error. The book is small (in size and length) and some of the characters covered aren't memorable, plus it's now outdated. An online recap would be better.

I got this book as a gift, it is excellent. I need it to keep track of the dead, there are a lot of them. I still cannot believe Stark was killed in season one.

The product arrived on time and was well packaged. My wife has been baking some wonderful loaves of artisan-type rye, white and whole wheat breads. They are very crusty, and we had experienced some difficulty finding a product that could handle the crust. This product worked extremely well, cutting through the crust with ease. We are very pleased with our recent purchase. delivery on time receive it next day , love it . just OK . i love it ,

This book is too small for a series that kills its characters faster than a baby goes through diapers.
