More Than A Lion (Shifty Book 7)

Synopsis

"I wanted to change the world, you know. Sitting in that cafeteria, that's all I could think about. I was going to keep convincing people to come to Shifty University, I was going to set off an explosion of peace and equality and respect. I never realized that I was the one who needed to change, not the world." "But I'm getting a little ahead of myself. Let's slow down, back to step one in my change-the-world plan. Step one: Stop being sick." The last three years, Brooke has been sick. She was told that the sickness would only go away when she met her mate, and she's been holding onto that hope like a lifeline. When her soulmate shows up and tries to take her away from the friends she loves and the life she's built and doesn't automatically cure her sickness, what's a girl to do? About the Shifty Series 11 girls... 11 stories. What happens in a world where humans and shifters live together in peace? Well... a lot, actually. In this series, you'll get just a glimpse of it. The books each stand on their own as every girl tells her story, and don't have to be read in any sort of order to be enjoyed. With a new love story and happily ever after in each book, this series will show you a new way to view shifters, one you may not have ever considered before. *These books are clean Young Adult/New Adult fiction and contain no explicit content. Customer Reviews

This is such an amazing group of books. I love how the author showcases each type of shifter in her world. These are great women! I can't wait for the next book to come out.

I need more immediately!! I can't wait for the next one to be out so I can read more of the shifty girls!

This book was amazing just like the others in the series, fantastic. These books show the power of love in its purest art, it shows how you shouldn't give up your rights as a person for someone else to do what you believe

I love the way you put in the little inserts that made me laugh. I love all the characters in all the books. I can't wait to read about Bree!
