# The Walking Dead, Vol. 11: Fear The Hunters

## Synopsis

The world we knew is gone. The world of commerce and frivolous necessity has been replaced by a world of survival and responsibility. An epidemic of apocalyptic proportions has swept the globe, causing the dead to rise and feed on the living. In a matter of months society has crumbled: no government, no grocery stores, no mail delivery, no cable TV. In a world ruled by the dead, the survivors are forced to finally start living. No one is safe in the aftermath of the most shocking Walking Dead storyline yet! The remaining survivors continue the road to Washington DC, but not everyone will make it out alive! Collecting issues #61-66 of the New York Times best-selling series, The Walking Dead! Reprint Edition

Best Sellers Rank: #86,613 in Books (See Top 100 in Books) #50 in Books > Comics & Graphic Novels > Graphic Novels > Zombies #148 in Books > Comics & Graphic Novels > Publishers > Image Comics #196 in Books > Comics & Graphic Novels > Graphic Novels > Horror

## Customer Reviews

Rick and company continue to fascinate me as a reader, even after eleven volumes, and I continue to wonder if Robert Kirkman will ever stop coming up with new ideas and new challenges for our group to deal with, but so far, that is not the case. Trouble comes at the survivors, as it always seems to, from both outside and inside the group, and this new addition to the saga is no different. A murder comes early and a slow building dread caused by an unseen enemy stays with the group throughout most of this volume. A character relates a soul wrenching tale of what he felt he needed to do to survive before joining the group and I was once again surprised (although by now, I probably shouldn't be) when a character we are close to dies. As this story continues to move forward and the group continues to face new enemies, it is clear that their own humanity is in

constant jeopardy. While nemesis like the Governor, from a few volumes back, were brutal and I would be hard pressed to provide him with any redeeming qualities, it is not always that cut and dry and Rick also is questioning how brutal he has become lately. He and the others seem willing to not only do away with their enemies, but make them suffer for their crimes. His level of viciousness has rubbed off on his son, at least to a certain extent, and while these characters are just that, characters, it is heartbreaking to see how lost many of these people seem to be, unsure of who they are anymore or what they are doing in this dead world. Which for me, continues to make this story all the more intriguing.

I've purchased all volumes up to 22 and the TV show has just about caught up to where I am in the novels. These books are friggen awesome. I don't read much and my buddy lent me VOL 1 after he knew I liked the show. Well, I burned through the first one and then just went on a tear buying 4 volumes at a time...the price is pretty good for what you get out of these. \$9-\$15 is the range I've paid per novel, I'm not sure why they aren't the same but anyways, I keep buying them none the less. The story was written before the TV Show and the show follows the story but there is some differences. The written story is more violent and graphic then the tv show but the tv show does a decent job of sticking with main ideas. I've noticed that certain plot things that happen in the book also happen in the show but there is a unique twist like a different character it happens to or something like that. Which makes reading these volumes great cuz I have some idea of where the story is going (after having watched all tv episodes) but there are still surprises. If you like the TV show and haven't read these, give it a try and you will get a whole new experience of the Walking Dead story. I'm putting this same review under every volume I've purchased (1-22) so people can see it. go buy these!

While Rick Grimes and his group continue on their way to Washington, D.C., they start to suspect they are being stalked by someone in the woods. Suddenly, Dale is kidnapped in the night and Rick, Abraham, Michonne, and Andrea set out to find this new threat and stop them. But, these survivors may finally see their humanity torn to the last shred with the actions they take to protect their own.

Great book for Walking Dead fans. Really nothing more to say.

Very intense, Kirkman did it again.

Great product! I love it!

Love it

It showed up later than the date of arrival. and the expected date was just under a month. Placed march 15th did show up until april 8th. The book was also listed in "good" condition it had loose pages almost falling out. Torn seams and corners. And nowhere in the description did it say it was a old public library book. Had it said that i would have considered other options. This will be my only and last purchase from betterworldbooks. Bill .M
