Excellent book - practical spiral binding inside a hard cover, so the book will lay open nicely when

you are working from the recipes. Beautiful pictures of the foods and various B&B's along with many tasty recipes that are not too complicated for the average cook. Information on several B&B's is included as well. I have given this out as a gift twice already.

I ran across this cookbook @ a B&B in Baja Mexico. Spent a week perusing it and had to have it. Found it ONLY on !!!!!It has wonderful little snippets about B&B's in Washington state as well as wonderful recipes. Glad I found it on .com

This book contains illustrations, descriptions, and 11 specific items of information about 85 different Bed and Breakfast Country Inns in the state of Washington plus their most requested or favorite recipes. I especially liked one simply called "Bubble Bread" which included nuts, brown sugar, butterscotch pudding mix, and cinnamon in the ingredients!! The book lies flat when opened, has a beautiful hard cover, and is attractively printed in two colors. The authors also thoughtfully included tables of oven temperature equivalents, baking pan sizes, liquid and dry measures (including metric conversions), and high altitude adjustment suggestions. A special feature appearing throughout the book is entitled "Carol's Corner" where one of the authors records hints and happenings which developed during the testing of all recipes submitted. Tantalizing titles of some of the recipes are Banana Blueberry Muffins, Northwest Salmon Pie, Santa Cruz Sweet and Sour Zucchini Salad, Apple Breakfast Lasagna, Comeback Hash, and Paula's Easy Decadent Chocolate Trifle. You'll love the book for yourself and it would make a much-appreciated gift.

Great recipes and list of amazing B & B's in Washington! This has become my go - to recipe book for breakfast and brunch recipes. We have stayed at many of these B & B's so the book is even more special. I am working my way through every recipe.

I have tried many recipes in this book. Orange Pecan French toast is soooo delicious, presented with fresh fruit, yoghurt and maple syrup makes it a beautiful dish to present to friends or gusts. This book will be well used . .Book - excellent condition, delivered as stated.

There are so many different and wonderful recipes, it's hard to start. But I have to tell you about the Beer Braised and Balsamic Vinegar Lamb with Rosemary White Beans. Give me a break!!! I couldn't even read the recipe without salivating!! (How embarrassing!) It is one of the most unusual orchestrations of flavors I've ever experienced!! This is a special dinner, a night when you polish the

silver candlesticks, chill some nice wine, and hope for rain, because you won't want anyone disturbing you at this dinner. The only thing I'd add, are a few of your best friends, then enjoy this elegant culinary event!!

I made the Paula's Easy Decadent Chocolate Trifle for a Neighborhood Harvest Party, and I won the award for the best dessert brought! People raved about it and said it was awesome -- beautiful and delicious! One of the neighbors decided to purchase the cookbook to give to her daughter who was wanting an outstanding dessert to serve for a party.

This was purchased as a favor to a friend who wanted an add'l copy to send to his mom.
