Where I Belong

Synopsis

This moving novel of self-discovery and awareness takes place during the Oka crisis in the summer of 1990. Adopted as an infant, Carrie has always felt out of place somehow. Recurring dreams haunt her, warning that someone close to her will be badly hurt. When she finds out that her birth father is Mohawk, living in Kahnawake, Quebec, she makes the journey and finally achieves a sense of home and belonging.

Customer Reviews

Gr 6â10â White's novel takes readers to the Oka Crisis in the 1990s in Canada, where learning who you are may prove to be lifesaving. Growing up adopted does not mean much to Carrie. Her looks alone make her stand out and feel different. Aside from her appearance, the biggest difference she feels is the occurrence of powerful dreams. After she meets a boy from her dreams, she starts to truly question where she came from. Through him, Carrie finds a whole other world where she may finally feel like she belongs. As protests occur on the reservation, Carrie's dreams and her loyalties are tested. White tackles issues of adoption, carefully constructing Carrie's conflicting feelings about living in a Native world and what it means to be a part of it. White shares traditions and teachings without glamorizing Native culture. Ultimately, Carrie must learn to exist in both worlds. VERDICT A welcome addition to any library, featuring a strong Native protagonist to whom most teens will easily relate.âAmy Zembroski, Indian Community School, Franklin, WI

"A gorgeous, sorrowful and yet hopeful novel...Written mindfully and delicately in the voice of an early master, Tara White's second book is both a coming-of-age story and a story that desperately needs to be told. Combining a teenage, punk-rock need for acknowledgment and a nationwide need for attention, *Where I Belong* is a book that feels urgent and human." (The Globe and Mail 2015-01-23)"White shares traditions and teachings without glamorizing Native culture. Ultimately, Carrie must learn to exist in both worlds...A welcome addition to any library, featuring a strong Native protagonist to whom most teens will easily relate." (School Library Journal 2015-05-01)"White has created a convincing portrayal of a girl caught between two worlds struggling with identity. Carrie is a likeable character whom readers will be able to relate to on various levels. Her telling of the Oka Crisis in Quebec creates a wonderful learning opportunity for readers involving real-life events and issues...This is a story that needed to be told." (VOYA 2015-04-01)"A worthwhile acquisition for middle school and high school libraries, especially those looking to add fiction with a Native perspective to their collections." (CM Magazine 2015-03-20)
