Customer Reviews

McGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide

This book is great and very thorough, I use as an elective for my daughter whom I home school (high school).

Better than I expected

nice books, did not use but will pass on

the price is cheap and the quality is high. delivery on time receive it next day . This product has great balance and weighting to it. I was impressed with the packaging and the product itself is impressive, especially given the price. I would absolutely recommend purchasing this product to others. help me a lot. as a gift to tiny,

Nice and valuable. i love it so much, arrive on time. good . Beyond what I expected! The price made

it that much better... The seller was great he reached out to me asking how I liked the item and I felt he was genuinely caring what my opinion . Great product

This is a great book for beginning culinary classes and nutrition classes. The information is very well written and easy to understand by high school students.
