The Blue Chameleon: The Life Story Of A Supercop

Synopsis

The Blue Chameleon details the journey of Detective Daril Cinquanta, now retired from the Denver Police Department, as he evolves into a Super Cop in spite of the efforts by some of his own commanders, community activists and even many other officers who felt (threatened) by his hard work and exemplary successes, as they attempted, but failed, to render him ineffective for years. His career is riddled with controversy, citizen complaints, lawsuits and disciplinary action, which mostly sought to break his enthusiasm to chase bad guys. In spite of the harassment, he goes on to arrest thousands of felons and put 1000 individuals in prisons nationwide. This book takes you deep into the inner mechanics of a big city police department, and the world of informants, search warrants and investigations and the creative way Detective Cinquanta was able to become a controversial legend amongst fellow officers and criminals alike.

Daril Cinquanta was born in St. Mary s Pennsylvania in 1948. He grew up in the family restaurant business in Riverside, California and Boulder, Colorado. Growing up in Boulder, he was expelled from two junior high and two high schools during his roller coaster childhood. He lost his driver s license three times before the age of eighteen. He attended Harbor Junior College taking Police Science courses in pursuing his childhood dream of becoming a Crime Fighter. He became a Denver Police Officer entering the Police Academy in 1970. Early in his twenty-year career he admitted that being a cop was the only thing he was ever good at. He was called a Super cop and amassed thousands of arrests. Through his investigations, he generated a great deal of positive and negative publicity. His work was legendary in Colorado police circles. He says that he often

bent, and at times, broke departmental rules and regulations. But, he followed the law, resulting in an outstanding and extraordinary conviction rate. He was very controversial and often the administration, lawyers, some judges and citizen activists would routinely attack his credibility and style. Yet, during his career he received the Police Medal of Honor; the Police Distinguished Service Cross, The Service Cross, The Purple Heart, six Police Merit Awards, Optimist Club Policeman of the Year, Citizens Appreciate Police Award of Honor and over 160 official departmental and outside jurisdiction commendations. After his retirement, he started his own private investigative firm, Professional Investigators, Inc in Denver, Colorado.
