# King Solomon's Conclusion: Finding Joy, Fulfillment, And Purpose In Life

## Synopsis

So many events in this world are beyond our control, sometimes even beyond our understanding. No matter what we accomplish, disappointment is inevitable. Worse yet, no matter how powerful we become, eventually we must all pass away. "What do we gain from all our days of labor in life?" It's a question we've all asked. In this motivational self-help book, the answer comes from the wisest man who ever lived, King Solomon. Noting that "one event happens to all", that neither riches nor wisdom can prevent toil, Solomon journeyed to find value in living. Here, you'll find what he discovered; simple ways to achieve joy, keys to long-term fulfillment, even our very purpose for existing. Placed into the context of our current world, King Solomon's Conclusion will equip listeners with safeguards to elude many of life's greatest pitfalls, to reduce the inevitable stressors that weigh us down daily, and to offset the frustration that comes from living in a world whose ways are beyond our control. We live, we work, we die, and nothing we do can change that. But we can find peace, comfort, and strength along the way. We can effectively manage stress and drastically reduce the toll it takes on us. And if we choose to fulfill our purpose, we will find something even better, the greatest gift of all. In King Solomon's Conclusion, spiritual growth meets practical common sense counseling. The stress management techniques Solomon provides are simple, universal, and timeless. To those who seek practical knowledge that comes from God, this book is for you. The world's wisest man found the path to peace, joy, and fulfillment. Then, he wrote it all down for us. So...what are you waiting for?

## Customer Reviews

While reading this book, I realized what a refreshing and positive way to learn about our Lord through Solomon. Some of the quotes that I am used to hearing negatively, I noticed they are used in a positive way and are given in encouragement. We should all enjoy life, it is too short. This book shares why in so many reasons. I enjoyed it. Well written, thanks!

This book is very insightful allowing the reader to gain insight into a book of the bible that is relatively low-key in the knowledge forums (in my opinion). I enjoyed reading the author's perspective on the book of Ecclesiastes and would suggest it to those who are struggling to gain an understanding of Ecclesiastes and its meanings. There is a substantial amount of points to draw from, and I feel the author did a great job of narrowing down what really matters in regards to wisdom. Having wisdom is both essential to navigating the journey of life, and at the same time, can almost become completely meaningless when trying to gain wisdom for wisdom's sake. I love to read about King Solomon's revelations and appreciated the parallels that were provided for the book of Proverbs and Ecclesiastes. If you want to get a simple and elegant outline of the book of Ecclesiastes, read this book. You may even enjoy the quick wit and clean humor that is laced throughout. Happy reading!

I loved this book. Gave me much insight to things I needed. Will read more of his books.

Such simple wisdom found in Solomon's words! Timeless advice to help guide us to a joyful life. So helpful!! I really found this to be profound!

I was pleasantly surprised!! The way he breaks down Solomon's teaching is great. I've read Ecclesiastes before and was confused. After this book I will now know what these riddles mean. I want to re-read this at least 2 times a year!!

Amazing book which will leave you with wisdom, and a new perspective on our daily actions. I felt empowered just after reading the first chapter and it just gets better after that.

The author did a good job of presenting the key points of the book of Ecclesiastes. It is well worth the read and a blessing to be enjoyed.

Awesome book. I'm always trying to gain wisdom by reading proverbsLive life of wisdom and enjoy lifeThank u. Carlos
