Police & Society

Synopsis

Police & Society, Seventh Edition, offers an in-depth and analytical look at policing, from police behavior and organization to operations and historical perspectives. Focusing on the relationship between the police and the community and how it has changed throughout the years, the authors explore the most important theoretical foundations and incisive research on contemporary policing and show how that research is put into practice. The text is enhanced by extensive pedagogy and a unique chapter on higher education and policing.

Customer Reviews

"Police & Society is an excellent presentation of policing research that does not lose sight of the realities of policing in modern America."--Willard M. Oliver, Sam Houston State University
"This is a very well-organized, concisely written, and well-informed text that meshes professional perspectives from the field with scholarly academic research. It is flexible in that it can be utilized by both criminal justice and non-criminal justice majors. Professors would be challenged to find a text that synthesizes a similar amount of information and research as relevant to the policing field as this one."--Jeremy G. Carter, IUPUI
"This is a well-written text, concise and complete. It contains supplemental information within the text and covers contemporary issues. The 'Voices from the Field' and 'Inside Policing' features are a major strength of the text."--Dennis Febles, Bunker Hill Community College

Kenneth Novak is currently Professor in the Department of Criminal Justice and Criminology at the

University of Missouri-Kansas City. Gary Cordner is Professor Emeritus of Criminal Justice at Kutztown University. Brad Smith is Professor in the Department of Criminal Justice at Wayne State University. Roy Roberg is Professor Emeritus in the Justice Studies Department at San Jose State University.

This has to be one of the most unenjoyable college books I have ever read. The material is extremely bland and many times the same information is just regurgitated in a different way. At one point, I read an entire two pages before the author finally made his point on a super simple subject. If you are looking for an entry book into policing, I would look somewhere else, as this book will have you bored to tears and frustrated because there are not really clear cut definitions (you kind of have to interpret the definition yourself).

Easy to rent and cheap

It was a great deal as well as the book. The seller was great and did everything as described

Exactly what my son needed for his classes

Book has very bad binding and pages are barely held

Great! Used for my Police and Society class. Very easy to read and follow.

Good book. Easy to read and understand.

Exactly as described. Came in within the dates expected.
