# Bundle: Motifs: An Introduction To French, Enhanced, Loose-leaf Version, 6th + ILrnÃ¢â€žÂ¢ Heinle Learning Center, 4 Terms (24 Months) Printed Access Card

## Synopsis

Immersing students in the world of French language and culture, **MOTIFS: AN INTRODUCTION TO FRENCH**, Enhanced Sixth Edition, continues to set the standard for first-year French courses. Students learn through lively, culturally authentic contexts that enable them to communicate on larger, real-life themes, such as housing, school, food, work, and relationships. Offering a systematic study of French, the MOTIFS program provides the structures, vocabulary, communication strategies, and cultural background that enable students to think critically about different points of view, to share about themselves, and to learn about others. The sixth edition maintains its most popular readings while updating others and adding new readings to foster cross-cultural comparisons. Readings are also now enhanced with audio. Packed with digital resources, the iLrn Heinle Learning center also includes numerous enhancements, including new "Video Voyages!" Francophone culture videos and improved instructor functionalities to facilitate assigning activities, providing feedback, and customizing your eBook. The enhanced edition also includes a brand new "Vidéo thÃ©matique" section at the end of each chapter, with activities linked to thematic cultural videos on iLrn and DVD.

## Book Information

d'œuvres à couvrir et à lire; présenter les dernières nouvelles. Ces lectures incluent la fiction et la non-fiction, y compris des articles de magazines et des interviews, des poèmes, des nouvelles, des lettres, et des chansons. Les termes de vocabulaire sont enregistrés pour vous aider à pratiquer. Des mots et expressions français fréquents et utiles et des sections de la 'Pratique de conversation' sont enregistrés, permettant de renforcer la compréhension, d'améliorer votre capacité à parler, et d'augmenter votre confiance en communiquant.

Intégration de la langue et de la culture Vous êtes introduit au monde francophone d'une manière qui encourage à regarder sa propre culture plus objectivement, et avec des sujets qui touchent à sa propre vie et à ses intérêts. Les thèmes culturels sont pleinement intégrés tout au long du texte.

Elevate Thinking Through Listening, Speaking, Reading and Writing Activities with iLrn! [View larger](#) [View larger](#) [View larger](#) Succeed in your course with iLrn! Its ease of use, communication tools, and superior content including multimedia and authentic materials helps you succeed in the course. 'Share it' allows you to interact with other students; 'Share it!' allows you to upload files, such as videos, for assignments and projects. Once files are uploaded, you can comment and rate each other's submissions. Elevate thinking iLrn resources allow you to learn basic vocabulary and grammar, and apply what you learn using communication tools. Use the Voiceboard to record your interactions with your instructor and classmates in the language you are learning.

Kimberly Jansma directs the French Language Program at The University of California at Los Angeles, where she supervises teaching instructors and teaches language, culture, and linguistics courses. She has published pedagogical texts and multimedia materials and presents her research at major conferences. Dr. Jansma's areas of interest include hybrid language instruction, second language acquisition, and sociolinguistics. She received her Ph.D. in Applied Linguistics from the University of Texas at Austin. Margaret Ann Kassen, who received her Ph.D. at the University of Texas at Austin, is Associate Professor and Chair of the Department of Modern Languages and Literatures at The Catholic University of America in Washington, D. C. She teaches undergraduate French and applied linguistics courses and works with graduate and undergraduate teacher preparation. Her research interests include foreign language writing, performance assessment, technology-enhanced language learning, and instructor development. In addition to presenting at conferences, Dr. Kassen has published articles on technology and writing and edited a volume on developing self-direction in foreign language learners.
