Marketing: Real People, Real Choices (9th Edition)

Synopsis

For undergraduate Principles of Marketing courses. Real people making real choices Marketing: Real People, Real Choices is the only text to introduce marketing from the perspective of real people, who make real marketing decisions, at leading companies everyday. Timely, relevant, and dynamic, this reader-friendly text shows readers how marketing concepts are implemented, and what they really mean in the marketplace. The 9th Edition presents more information than ever on the core issues every marketer needs to know, including value, analytics and metrics, and ethical and sustainable marketing. And with new examples and assessments, the text helps readers actively learn and retain chapter content, so they know what's happening in the world of marketing today. Also available with MyLab Marketing MyLab Marketing is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Marketing: Real People, Real Choices, 9th Edition is also available via Revel, an interactive learning environment that enables students to read, practice, and study in one continuous experience.
