Customer Reviews

This is a well detailed map of Bordeaux with excellent street references. It is in French so the location references are in French. It would be a better it there was less reference to where schools (ecole) are and more of where the hotels, restaurants and shopping are. Combined with a local tourist quide, this will be very good. No regret buying it.

An OK map, not as pictured on the product page though. The map is a pocket size 3"x 4.5" rectangle when folded. I could probably wait to buy a nicer one till I got to Bordeaux if I knew it would be this kind almost disposable product, just a step above of what you get at a TI. So if you are not desperate to get a map, wait till you get to Bordeaux to obtain it. The packaging was adequate. The shipping period way too long - 3+ weeks! I almost forgot I had placed this order. I guess if you look at the bright side, you get a nice surprise in your mail box when you finally receive your order.
