Death Note, Vol. 2

Synopsis

Light Yagami is an ace student with great prospects - and he's bored out of his mind. But all that changes when he finds the Death Note, a notebook dropped by a rogue Shinigami death god. Any human whose name is written in the notebook dies, and now Light has vowed to use the power of the Death Note to rid the world of evil. But when criminals begin dropping dead, the authorities send the legendary detective L to track down the killer. With L hot on his heels, will Light lose sight of his noble goal...or his life? Light thinks he's put an end to his troubles with the FBI - by using the Death Note to kill off the FBI agents working the case in Japan! But one of the agents has a fiancée who used to work in the Bureau, and now she's uncovered information that could lead to Light's capture. To make matters worse, L has emerged from the shadows to work directly with the task force headed by Light's father. With people pursuing him from every direction, will Light get caught in the conflux?

Author: Tsugumi Ohba Born in Tokyo, Tsugumi Ohba is the author of the hit series Death Note. His current series Bakuman is serialized in Weekly Shonen Jump. Artist: Takeshi Obata Takeshi Obata was born in 1969 in Niigata, Japan, and is the artist of the wildly popular SHONEN JUMP title Hikaru no Go, which won the 2003 Tezuka Osamu Cultural Prize: Shinsei New Hope award and the 2000 Shogakukan Manga award. Obata is also the artist of Arabian Majin Bokentan Lamp Lamp, Ayatsuri Sakon, Cyborg Jichan G., and the smash hit manga Death Note. His current series

Bakuman is serialized in Weekly Shonen Jump.

I really enjoyed reading the sequel to the first Death Note because they managed to keep the plot line fresh and original and to me, it didn't feel like a rehash of the first in the series. Death note continues its reputation of thick plot line, beautiful art and intriguing characters. I love seeing the task force meet L and their reaction to him which was pretty funny. I am currently waiting for the next two in the series to come in the mail, because after reading one and two, I want to read the whole series. I also enjoyed the crop of new characters that are beneficial to Light's story because it adds an extra element of suspense. I would recommend this series to any manga fan because there is so many different themes that could appeal to all walks of life.

Thank you!

I hope my daughter likes this

Anime is a big part in our family. This book is part of a series that is being run right now. Everyone is very happy with the book.

I am a big fan of the Death Note series, so I have already read the manga, seen the anime, and watched the live-action films. My boyfriend, however, had only seen the live-action film and liked it, so I decided to let him start from the very beginning. Now he's hooked on it, too, and so are some of my co-workers whom I've mentioned it to.

Great series and book! I love death note! The show is even better

Excellent story

Its a funny book to read and breath taking story i would read the whole series of death note alot
