Core Curriculum For Oncology Nursing, 4th Edition

Synopsis

Published in collaboration with the ONS, this text is the definitive source for concepts and practices in oncology nursing and can be used for orientation of nurses to oncology, inservice and continuing education programs for practicing nurses, a basis for curriculum development in graduate programs, and as a review tool for certification. Based on the blueprint of the certification examination by the ONCC (Oncology Nursing Certification Corporation), the book is in outline format to help readers focus on the most important information. Instructor resources available; contact your sales representative for details. Covers the entire scope of the specialty ensuring comprehensive coverage. Outline format helps the reader focus on the most important information. Effective guide for teaching and learning for in-service, continuing education, and academic programs. Powerful study tool for the ONCC certification exam. Tables and figures illustrate complex concepts. Entirely revised, updated, and expanded to reflect the current state of oncology nursing practice. Expanded pain management content. New content on nonpharmacologic interventions (e.g. heat massage, imagery). New content on alternative therapies.

Best Sellers Rank: #174,616 in Books (See Top 100 in Books) #17 in Books > Textbooks > Medicine & Health Sciences > Nursing > Clinical > Oncology #20 in Books > Medical Books > Nursing > Oncology #63 in Books > Textbooks > Medicine & Health Sciences > Medicine > Clinical > Oncology

Customer Reviews

Oncology Nursing Society; Joanne K. Itano, RN, PhD, OCN, Associate Professor, University of Hawaii at Manoa, School of Nursing, Honolulu, HI; and Karen T. Taoka, RN, MN, AOCN, Clinical Nurse Specialist, Oncology, The Queen's Medical Center, Honolulu, HI

I used this and the study guide to prepare for my OCN and I passed with flying colors!! I don't particularly care for the format of it. It is mainly in outline form.

Just as, if not better, than described!! Fast shipment... Great study tool if you are taking the ocn or just want to further your knowledge in oncology! Thank you!

Good as new! I was expecting it to look a little used but it doesn't at all!

good condition, will help in studying for my OCN.

Very thorough book. A lot of detail.

Item as described, received in a timely manner

Please consider selling this book in electronic format. Prints are too small for me. Reading contents via my laptop will help me make prints bigger. Thank you.

I got what I wanted and timely
