Lavender: How To Grow And Use The Fragrant Herb (Herbs (Stackpole Books))

Synopsis

New full-color photos
Growing and using in the garden
Instructions for a variety of crafts and potpourris plus recipes for entrees, sides, and pastries
The leaves, stems, buds, and flowers of lavender are valuable for a variety of uses. This revised and updated edition of the best-selling guidebook gives instructions for growing and harvesting the popular aromatic herb, with ideas for using it in the garden landscape, in crafts, and in recipes. Projects are included for making potpourris, wreaths, garlands, arrangements, and even lavender-spiced chicken, halibut, potato salad, madeleines, and bread. An added section on festivals and farms offers travel opportunities for those who want to experience lavender culture. A full list of sources completes this definitive book.

Customer Reviews

Ellen Spector Platt resides in New York City and is the author of 11 books. She grows a wide variety of flowers and herbs and teaches dried-flower crafts and fresh-flower arranging.

Very helpful and informative, truly helpful with planning future garden. Beautiful pictures and layout. Arrived quickly and well packaged against elements

If you like lavender, grow some of your own and are looking for ways to use it, then you'll love this

book, otherwise it's just another book.

Was looking more for some growing instructions in how to turn to it

This is a good informative book for anyone who is thinking about growing lavender, or wants some ideas for it's uses.

This is an excellent guide to lavender. I was especially impressed by the chapter on cooking: many lavender books overlook this essential use. The formatting was excellent and displayed well on my Kindle Paperwhite. I highly recommend this.

as advertized

loves this book! it was very informative and I found that I had a hard time putting out down once I started it! I especially loved all the tips!

If you love lavender you'll love this book. It has everything in it you need to know about lavender from the history of it, how to grow it and how to use it.
