Customer Reviews

Peter Ackroyd is a highly acclaimed historian, biographer, poet, and novelist. He was born in London and studied at both Cambridge and Yale universities. His books include The Great Fire of London, The Last Testament of Oscar Wilde, T.S. Eliot: A Life, and London: The Biography.

Excellent book, full of beautiful color photos and graphics on every page. The book has a lot of information on ancient Egypt, very well written and compelling. Highly recommend

My daughter and I have enjoyed reading this together very much. We are using it as part of our

home school program. Peter Akroyd is an excellent author and so was able to condense a huge body of academic data into an enjoyable and informative read. For us, it was just enough information. I had my daughter read it out loud and we would discuss the unfamiliar words, talk about the society, how good leadership affected society, use the words for her spelling test, and more. She has a great interest in Ancient Egypt so it was a perfect fit for us. We started the book when she was in 2nd grade but she is an advanced reader, and I wanted a book for her to read out loud that would challenge her.
