Doctor Who Serpent Crest 1: Tsar Wars

Synopsis

Tom Baker stars as the Fourth Doctor in the first of five thrilling brand new adventures, with Susan Jameson as Mrs. Wibbsey. In a distant galaxy, the Tsar and Tsarina rule over the Robotov Empire from the safety of their palace, whilst human workers tend the power plants on satellite moons. When the Doctor arrives with Mrs. Wibbsey, his identity is immediately mistaken, and the Tsarina believes that her old ally, Father Gregory, has returned. But when the Palace comes under attack, the Tsar suspects him of treachery. Meanwhile, Mrs Wibbsey discovers that dark secrets are lurking in the shadows of one satellite moon. Far more than mere human rebellion is being planned, and Father Gregory is not operating alone. His actions will set off a chain of events with long-lasting consequences for the Doctor and Mrs Wibbsey... With Tom Baker as the Doctor, Susan Jameson as Mrs. Wibbsey, Michael Jayston as the Tsar, Suzy Aitchison as the Tsarina, Simon Shepherd as Boolin, Sam Hoare as Lucius, and Paul Chequer, Grant Gillespie and Gabriel Vick as the Servo Robots and the rebels, 'Tsar Wars' is the first of five linked stories written by Paul Magrs.

Book Information

Series: Doctor Who: Serpent Crest (Book 1)

Audio CD: 1 pages

Publisher: BBC Books; Unabridged edition (September 8, 2011)

Customer Reviews

"Baker and Jameson have... developed into a highly engaging TARDIS team. The guest cast is classy with Michael Jayston as the Tsar and Simon Shepherd as Alex's nice android doctor Boolin. This play is a lot of fun" -- Gypsy King * <http://theblogofdelights.blogspot.co.uk> *

Paul Magrs was born in 1969 in the North East of England. He has written numerous novels and short stories for adults, teens, children and Doctor Who fans. He teaches Creative Writing at Manchester Metropolitan University.

It's a case of mistaken identity when the Doctor and Mrs. Wibbsey are whisked away from the Doctor's country home in Sussex. (If it sounds weird, see *Hornet's Nest* and *Demon Quest*.) They find themselves in the place of the Tsar and Tsarina of the Robotov Empire with the Doctor mistaken for his doppelganger, Father Gregory. The Doctor finds himself in the midst of court intrigue as he tries to figure out who exactly brought him here and why. This is a good story in which AudioGo abandons the audiobook/narrated story idea and gives a complete full cast experience. The result is pleasing. Political intrigue in a society controlled by robots, bizarre genetic experiments, and a brand new antagonist make for a promising adventures. I had mixed feelings on Baker doing a German accent to play Father Gregory, but other than that, this was a solid story.
