Marie Morris grew up in New York and graduated from Harvard, where she studied history. Marie has worked for Newser.com, O2138 Magazine, the Boston Herald, Boston Magazine and the New York Times. She's the author of numerous Frommer's Travel Guides. She lives in in the North End of Boston, where she has lived long enough to pass for a native, but long enough not to acquire a Boston accent.

Hit all the basics for our 4-day visit, good, clear instructions, very good map, and lightweight for packing around.

This compact, lightweight, smartly organized guide really came in handy for a 5 day visit in April. It allowed me to do some planning ahead as well as decision making on the go, to make the most of my trip. The restaurant recommendations were great, and the the maps were easy to read and

indispensable. The author's knowledge of the city was always evident and her advice spot-on.

Very good guide if you are looking for someone to help you plan your days. Use the one, two or three day trip plans when you are limited on time, or if you have extra time when in a city for business! I always look to frommer's for guides when traveling to a new city or country. We also accessed local news to find theater tickets etc.. but this gave us a good starting point for our weekend trip!

It's great, it helped my trip.

I am so glad that I got this book for my upcoming trip. It goes hand in hand with your Go Boston Pass. Describing each attraction with great details , pictures and maps. It has a handy planner on how to get the most attractions in to your 1-3 day trip. And comes with a great fold up map. Also a great help in understanding the MA transportation system.

Bought this book to narrow our choices for activities during our Boston vacation. Book gives honest opinions from a local, along with several suggested itineraries for daily activities. It helped us use our limited time in the activities we love the most.A great travel guide.

We used this guide to plan our 4 day trip to Boston. Maps were very helpfull as well as the "T" guides.Like the way she highlighted the different areas ie. North End, Back Bay, Freedom Trail etc. Easy to carry, withplenty of historiclal and biographical info. Her star ratings of places to see and restaurants to try were right on.This guide was the best I found and will be looking to Frommers as we continue our travels. Tip: if you are sightseeingstart at the Skywalk!

I am new tp Boston. The guidebook has helped me and my visitors find many interesting things to do in this marvellous city.
