Customer Reviews

This is a great way to learn Moroccan Arabic also called Darija! I have been enjoying learning along

with Tamazight (Berber), and Professional Arabic. Yep there are three languages along with French, and Spanish mixed in.

inexpensive, helpful for your trip to fabulous Morocco

Very well served for the beginner of Darija learning esp while visiting Maghreb.

Ummm. Helpful, but complicated.

Very helpful. Important phrases in the front with pronunciations.

great book, great service

The typeface is so small it's hard to read. And the Arabic script is so tiny even native speakers are reaching for their glasses.

I spent 3 weeks in Morocco. I didn't know a bit of Arabic when I arrived and with the help of the book and a couple of friendly Moroccans, I was able to navigate throughout the country. :)
