Customer Reviews

"If you're a person who proudly refers to themselves as a browncoat, though, and you love to learn about words and language, this is going to be a wonderful addition to your bookshelf."

- Geek Alerts "A great gift for your favourite

browncoat" - Borg.com "What does the slang term 'Ate his own gun'™ mean? What is the significance of the Battle of Du-Khang?... Well, you can find all this out in the book."

- Retrenders "The art is great with stills from the show along with concept art and set pieces."

- City of Films "Harder to put down than a magnetic grapppler" - Entertainment Buddha "A no-brainer to pick up for Firefly fans."

- Cinema Sentries "This is a great book for Firefly fans. Enough said, buy it now." - Entertainment Buddha gift guide

Really neat book for any Firefly fan. It has a lot of interesting facts to go along with it being an actual show dictionary.

More than a language guide, this volume has details I never even knew I needed to know! Pictures balance well with the info, including a guide to the Chinese used in each episode. A must-have for all Browncoats!

An in depth look into all the things you may have missed in the show. I really enjoy the characters pages and Mandarin translations. Nice pictures too!

This guide is really informative and fun to read. It's a beautiful book, physically, as well. 3D style imaging and text on the cover, beautiful high quality pages and ink inside. The layout and information contained within is excellent as well. All in all its a must have for true fans

I bought this as a birthday gift for my husband and he loved it. It came in excellent condition. I was very pleased by this purchase. The book has wonderful pictures throughout and is set up like a dictionary. One of my favorite entries is "Vera". I would recommend this to all those that love all things Firefly.

Shiny! A very handy book for any Browncoat out there. It contains a dictionary filled with many of the terms/names used in the series/movie and a section in the back containing most (if not all) of the mandarin phrases used in the show as well as tidbits from the woman who was the translator/language coach for the chinese words.

A fun little addition to my Firefly library. Not a 'need' item for a collection, but certainly something I'm happy with having on my shelf.

Great reference guide, but I thought it was a guide to the Chinese that they speak in the show. It's not a Chinese phrasebook.
